PROJECTS

HOSTELBUDDIE– Special Mention, Ideathon 4.0 (**40+ teams**)
- Implemented roommate matching using **Cosine Similarity**, a Lost-and-Found portal, and a student marketplace for academic exchanges.

ENTRECONNECT – Special Mention, Hack2Hatch Hackathon (**700+ teams**)
- Built a platform for entrepreneurs to connect with peers, mentors, and investors by matching shared interests.
- Used Gemini API to integrate NLP-powered conversational **chatbot** for startup guidance.

NEXTHIRE – AI-Powered Career Simulation Platform
- Built an AI platform simulating hiring with intelligent agents for mock interviews, resume analysis, and team-based tasks, aligning with autonomous agent behavior.
- Integrated **AI-driven mock interviews**, ATS-based **resume analyzer**, and a **virtual workspace** mimicking real-world team dynamics with avatars.

POSITION OF RESPONSIBILITY

Implementation Body member, ACM-CSS PEC — August 2024 – Present
- Organized and led coding sessions to help **100+** students enhance programming skills and improve problem-solving techniques.

Session Management Committee Member, AICTA Conference — Dec 2023
- Contributed to the smooth operation of conference sessions by coordinating schedules, managing more than participant inquiries, and ensuring a seamless experience for attendees and speakers.

Publicity Sub Head, Pecfest 2024 — Oct 2024
- Led publicity efforts for Pecfest 2024, overseeing social media campaigns, managing promotional materials, and coordinating with teams to increase event visibility and engagement among students and the community.

ACHIEVEMENTS

LinkedIn CoachIn Program 2025 Selected
- Selected from a highly competitive pool of **18,000+** applicants for the prestigious LinkedIn CoachIn Program 2025, a premier mentorship and training initiative designed to develop emerging talent.

Open Source Contribution in PWOC - Special Mention
- Contributed to multiple projects in the PEC Winter of Code open-source program by successfully resolving issues. Secured a **Special Mention** (5th position) among **200+** participants with **16 pull requests** merged.

Hackathon Special Mention
- Ranked among the **Top 6** teams out of **700+** participants in the Hack2Hatch Hackathon.

Academic Excellence, Olympiad Achievements & Awards
- Received Certificates of Merit in Class 11 & 12 for outstanding academic performance.
- Achieved All-India Rank 1 (subject-wise in Physics) in Class 9 at the **NSTSE 2020**.
